

**Champaign County Bikes Membership Registration**

Your membership contribution strengthens Champaign County Bikes (CCB) as an organization and helps to fulfill the CCB mission of encouraging, facilitating, and promoting bicycling and walking as transportation and recreation, and to promote public awareness of the benefits that bicycling brings to our community.

CCB is a 501(c)(3) non-profit organization and contributions are fully tax deductible per IRS regulations. Funds collected are used for Bike Education, trail improvements, and working to make our area safer for all road users and to improve the cycling experience in Champaign County. We serve as the funding agency for Bike Month and are responsible for a map of favorite bicycle routes by bicyclists in Champaign, Urbana, and Savoy. CCB also works with the local governments and the University of Illinois in providing the cyclist's perspective of infrastructure planning and engineering.

We need an active membership and sponsors to continue to be an effective advocate for bicycling and walking in Champaign County – Thank you for your support!
